

AN-Mini

Powered Monitors

The AN-30 speaker is the smallest system in the Anchor Audio line of products and offers a lot of sound in such a small cube. With 30 watts of rated power output, the AN-30 can cover a typical sized conference or classroom with ease. The AN-30 is AC-powered and lightweight at under three pounds that it mounts to a wall or projector bracket quite effortlessly. Combine an AN-30 with a projector in a classroom for the perfect audio visual solution.
